

AI-1000 Video Intercom

Control doors, gates, and garages from any smartphone or computer, ensuring you never miss a visitor or delivery. Experience sharp video and clear audio to see and understand who is at the door and why.

Video Calling

Receive video calls on your smartphone, or desktop and see who's at the door before letting them in.

People Directory

Search by name, unit number, or simply scroll. Visitor management made easy.

Face & Mobile Unlock

Instantly and securely unlock doors using facial verification or your smartphone.

Simple Installation

Easy installation with no cumbersome wiring. Connect via Ethernet or Wi-Fi, and be operational in minutes. Internal relay connects directly to the electric door strike.

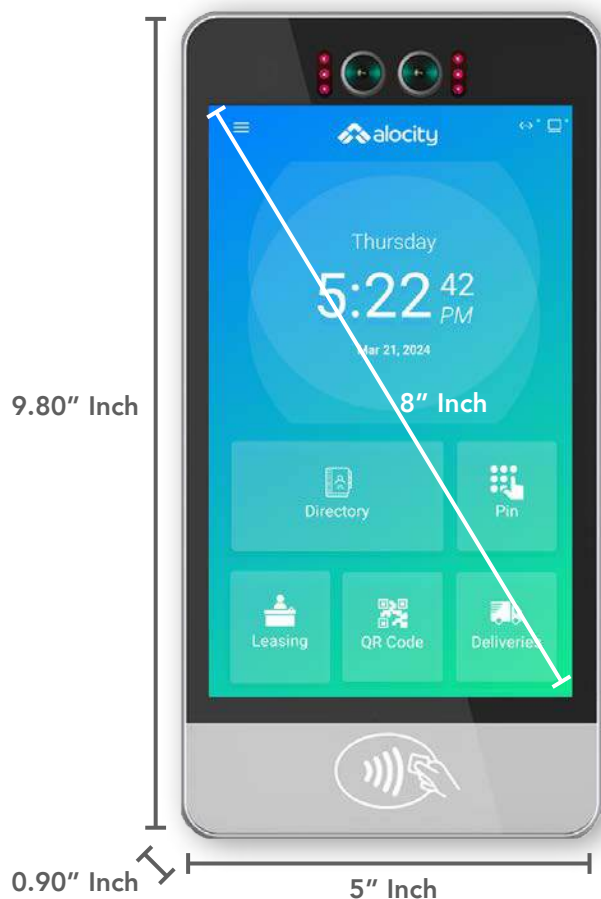

Three-In-One Solution

One device for video intercom, video security camera and door controller functionality.

Unmatched Security

Your data is protected with AES-128 encryption at rest and TLS 1.2+ encryption in transit, ensuring top-tier security for all your video intercom communications.

Dimensions

Power

Power Input: 12V / 2A

Power Consumption: 12 Watts

Environmental

Temperature: -40°F to 140°F / -40°C to 60°C

Operating Humidity: 0 to 90%

IP Rating: IP65 rated for water, dust, & chemicals

Processor & Memory

Processor: Arm Cortex, 6 Cores @ 1.8 GHz

Memory: 4GB DDR, 16GM ROM

Cameras - Dual Lens

RGB: 2MP

IR: 2MP

FOV: 110°

Video

HD 1080p / 2MP

Communication

Ethernet

WiFi

Bluetooth 5.0

Peripheral Ports

DC Port

Wiegand Input & Output

Dry Contact Relay

RS485/OSDP

Audio

Audio Streaming: Two-way, Fully duplex with echo cancellation

Audio Speaker: 4W Speaker

Audio Input: Omnidirectional digital microphone

Construction

Cast Aluminum

Steel

Polycarbonate

Certification

Vandal Protection: IK08

Weather Rating: IP65

Compliance

FCC

CE

Included Accessories

Wall Mount

Security Screw L-Key
