

Managing Door Access Has Never Been Easier

A powerful and Feature rich cloud access control software with live video, that easily allows you to manage, monitor, and control doors anytime, anywhere, from any device.

Smart Video Intercom

Receive instant push notifications when the Alocity video doorbell is pressed so you know the moment someone's at the door.

- Instantly see live video at the door
- Remote unlock doors
- Two-way talk
- Create video wall to easily view multiple doors at once
- Multi-user smart dial with NFC & voice recognition (beta)

Access Control Made Simple

Scalable

Manage one or hundreds of sites, doors, users, roles & groups.

Manage Anytime, Anywhere

Easily manage users, credentials, revoke access and create lockdown rules anytime, anywhere from any device.

Real-Time Visibility

Keep a system of record, associate video with access events, and receive alerts on critical-events as they occur.

Smart Automation

Setup powerful integrated workflows to trigger events, processes and alerts.

Secure by Design

Our platform runs on the Cloud, with complete end-to-end encryption - using the most advanced tools and security infrastructure.

Instant Alerts

Receive real-time alerts of critical events by email, text or dashboard.

Assign Credentials in a Snap

Face Selfie Enroll

Send one or thousands of users a self-enroll link via text or email that allows the user to opt-in and take a selfie to be used as their face credential.

Mobile

With our Alocity 1iD mobile pass, users can use their smart-phone to securely open doors in lightning-speed.

Cloud Key

Email or text guests a link to gain temporary access. No app required.

Access Group

Simplify and automate access sharing using groups and roles management.

Door Unlock Schedules

Easily set a schedule to unlock your doors that matches hours of operation and holidays.

Lockdown Doors Instantly

Create lockdown workflows, and activate them instantly with the click of a button. Keep students, faculty, and staff safe in the event of an emergency.

TRUSTED BY INDUSTRY LEADERS WORLDWIDE

See why leading experts partner with Alocity to modernize their physical access.
