

The World's Most Intelligent Multi-Function - Access Control Reader

We've got your access methods covered!

alocity® all-in-one reader supports the most-advanced face recognition technology, modern smart-phone credentials, traditional cards and key fobs.

3D Face Verification

#1 face recognition technology in the world. Works on anyone, anytime, and anywhere.

Smart Phone

Use your iPhone or Android phone to gain entry.

Smart Watch

Use your iOS or Android watch to open.

Encrypted Cards & Fobs

Alocity Secure/encrypted Desfire credentials make it nearly impossible to clone.

Cloud-Key

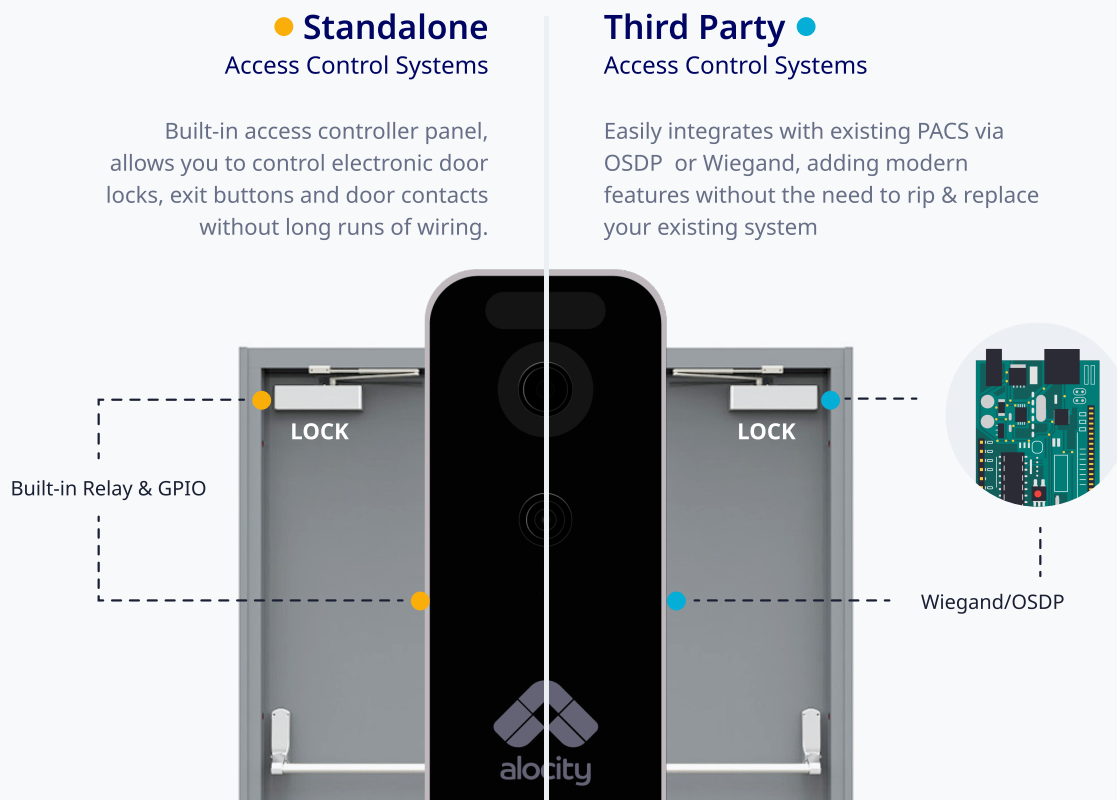

Email or text users a link to gain temporary access. No app required.

3rd Party RFID Credentials

Connect your existing RFID readers directly to the alocity reader, and use your existing credentials.

Plays Well With Others

Technical Specification

Operating Voltage

PoE Input: 12VDC

Power Consumption

10 Watts

Communication Interface

Ethernet
PoE
Wiegand Input / Output
OSDP / RS485
2 General Purpose Inputs
1 Dry Contact Relay.

Smart Card Technology

High Frequency 13.56 MhzNFC,
ISO 14442 A/B, ISO 18092.

Dimension

Height: 6.80 inches
Width: 2.70 inches
Depth: 1.50 inches

Authentication Methods

3D Face Recognition
NFC
Mifare
Desfire
Mobile
Cloud-Key

Memory & Processor

Quad Core Arm® Cortex. A53
1GHZ
Image Signal Processor
Dedicated CV Processor

Compliance

Conforms to: FCC, CE, ICESF

Environmental

Temperature: -20°C - 50°C / -4°F - 122°F
Weather Rating: IP67

Security

Fully encrypted communication
between reader and cloud software.
